*Igniting Inclusive Catholic Education*

*We all have gifts to give, and our children with special needs are no exception.*

Dear Friend of Fire:

We need your help! The FIRE Foundation of Denver is anticipating the opening of our second grant season, which means we are preparing to meet the needs of more Catholic schools. Would you help us raise money to open the doors and hearts of our Catholic schools to students of all abilities?

The FIRE Foundation is pleased to present Gifts to Give - a Christmas market and luncheon - on Friday, December 2nd at the Hilton Denver Inverness, where we expect over 250 of our supporters to join us for Christmas shopping, a silent auction, and keynote speaker. Proceeds will help FIRE support the inclusion of students with significant special needs, including those with Down syndrome, autism, cerebral palsy, and more, in our Catholic schools.

We all have gifts to give, and our children with special needs are no exception, but for too long, our schools have been unable to support them due to lack of funding, resources, and training. FIRE's mission is to offer grants that help schools cover costs for staff, technology, and professional development so students with learning differences have essential support to stay on track and make progress toward learning goals. In our first year, FIRE granted over \$95,000 to make it possible for students with significant needs to learn, play, and pray alongside their siblings and friends in our wonderful Catholic schools.

As a non-profit organization, we rely on the generosity and support of kind sponsors like you. We invite you to consider investing in Gifts to Give as an underwriter or sponsor. As a sponsor of our work, we have a menu of sponsorship perks for you to choose from and you will receive a tax deduction for your sponsorship to a charitable organization.

Inclusion is a party where all are invited! We need YOU to join our party as an underwriter or sponsor. If you have questions, please contact Eve Langston at [info@firefoundationdenver.org](mailto:info@firefoundationdenver.org). Thank you in advance for considering this opportunity.

Warm wishes,

*Eve Langston*
